raffermissant BIO

Moisturizing and firming treatment, from organic Vino-Cosmetics.

With Resveratrol ...

The Viñali body skincare made from grape seed oil rich in Resveratrol, provides the detoxification of the skin and allows a deep hydration.

Rich in active ingredients ...

Viñali body skincare is rich in organic cocoa, which improves the skin microcirculation and strengthens the tissues by acting directly on the mechanisms involved in the appearance of orange-peel and cellulite. Shea butter nourishes and protects the skin against the effect of ageing. Its emollient action restores elasticity and suppleness of the skin. Thanks to its active ingredients, the skin perfectly moisturized and protected, recovers its firmness and tonicity.

For which skin type?

Viñali body skincare is particularly suitable for areas prone to orange-peel. To enhance the cocoa firming action, it is recommended to massage the cream in the target area for a few minutes. Deeply nourished, the skin regains its elasticity and luminosity.

Bougie de massage

aux Extraits de Raisin & Huile d'Amande Douce

A relaxing aroma...

Its 100% natural rose and spices fragrance, blended with a touch of mint and green herbs, invites relaxation. In the cabin, the candle will be lit 10 minutes before the beginning of the massage. The dim light of the candle enables the body to relax deeply before the beginning of the treatment. During the massage, the fragrance is completely released, producing a physical and mental relaxation.

A massage at body heat ...

Once the candle is off, the massage oil will maintain at the optimum temperature for 15 minutes. The heat sensation of the liquid wax increases the soothing properties during the massage.
