About this item

- ✔ GET RID OF NECK, BACK AND SHOULDER PAIN - This ergonomic back support effortlessly aligns your vertebrae, pulls back your shoulders and relieves the stiffness and pain caused by long hours of sedentary work or gaming
- ✔ STAND PROUD AND TALL - With just 20-30 minutes of use daily, the AMMICA back posture corrector could strengthen your core muscles, fix your body posture, and make neck and back pain history in a matter of 14 days
- ✔ TRAIN YOURSELF TO HAVE GOOD POSTURE - With a custom "Y" shape, this flexible back straightener conforms to your natural back curve, trains your back muscles, and helps you sit straight in your chair while studying, working, driving, etc.
- ✔ FEEL COMFY WITH YOUR BACK BRACE - This upper back brace has a longer back design that helps reduce the shoulder straps from digging into your armpits and is made of high quality, flexible, breathable, materials for greater comfort
- ✔ DISCREETLY WEAR IT UNDER CLOTHES - This universal posture corrector for women and men is ideal for any chest size 80 -115cm (under the bust for women) - Made of thin fabric, it is invisible under your clothes at home, in the office, college and gym
