Introducing Alpha H's Liquid Gold Exfoliating Tonic: The Award-Winning Skin Miracle

Experience a complete skin transformation after just one use with Liquid Gold Exfoliating Tonic. This leave-on liquid peel features naturally derived fruit acids that help to rejuvenate ageing skin, improve the appearance of fine lines, enlarged pores, blemishes, sun damage, pigmentation and scarring. For optimal results, use every other night and remember to apply a daily moisturiser with an SPF of at least 15 when using a 5% glycolic acid.
